

## Interior Design Firm Specializing in Senior Living is Awarded Large Bucks County Project

The Lehigh Valley's major commercial interior design firm landed a contract for the renovation of [Wood River Village](#) in Bensalem, PA. Wood River Village is an Independent LifeCare Continuing Care Retirement Community situated on 20 acres in Bucks County. The community was originally built in the 1980s and is currently under contract to be acquired by Juniper Communities by the end of 2016.

Based in Bloomfield, NJ [Juniper Communities](#) is a women-owned company with multiple senior living properties, including assisted living facilities, memory care communities and skilled nursing facilities in Colorado, Florida, New Jersey, and Pennsylvania.

Juniper Communities plans on renovating Wood River Village in several phases. Phase I will include an overhaul of their main building and town center that includes the lobby, multiple dining venues, health & wellness center and common areas for residents, guests and visiting families. The project will also feature an exciting landscape design of a 5,000 SF roof deck area. The first phase of renovations are anticipated to start in early 2017.

The community will be rebranded as Juniper Village of Bucks County and with the renovations it is expected to be one of the more modern senior living communities in lower Bucks County and Northeast Philadelphia.

DesignPoint was selected for the project due to their experience in senior living. Juniper Communities has contracted DesignPoint in the past to work on four of their communities in Florida, New Jersey and Pennsylvania. With over 20 years of experience in senior living design, DesignPoint has led numerous interior design projects across the United States for independently owned and corporately held communities, and is one of the most experienced interior designers for senior living interior architecture, space planning and design.

DesignPoint recently had one of their senior living projects in Iowa selected by *Environments for Aging*, a leading national industry magazine, as one of the top 10 renovation projects for seniors.

DesignPoint is also an active member of LeadingAge. [LeadingAge](#) is an association of 6,000 not-for-profit organizations dedicated to making America a better place to grow old.

DesignPoint is based in Bethlehem, PA and can be reached at 610-807-9670 and <http://designpoint-interiors.com/>.
